EXPERIENCE/ TRAINING

1. **Junior DOT NET Developer** (COEPD) (01/2024 — 03/2025)
   - **Role**: Junior DOT NET Developer at COEPD, contributing to web application development using ASP.NET MVC, WebForms, and SQL Server.
   - **Responsibilities**: Developing and maintaining web applications, ensuring responsive UI with HTML, CSS, and JavaScript, deploying applications using FTP (FileZilla), and managing deployments on GoDaddy Server.
   - **Experience Gained**: Hands-on experience in debugging, optimizing performance, and collaborating on real-time client projects.

2. **.NET Full Stack Developer** Apprenticeship (Sathya Technologies) (06/2023 —12/2023)
   - Learning new skills related to .NET, including advanced development techniques.
   - Developed a solid understanding of software development processes and practices.

PROJECT DETAILS

1. **Project 1:** (02/2024 - 07/2024)
   - **Title** : COEPD (Centre of Excellence for Professional Development)
   - **Client** : BA Associates.
   - **Project URL** : http://coepd.com/

- **DESCRIPTION** :
  - **COEPD** specializes in providing professional training in Business Analysis, Software Development, Project Management, Agile methodologies, and IT disciplines, equipping professionals with the skills Management, excel in the IT industry.
  - **Administrative Module Contributions**: Worked on critical modules such as Notifications & Alerts, Session Management, Admin Panel, Inventory Management, Training, Nurturing, Digital Marketing, and Landing Page Development.
  - **Participant Module Enhancements**: Improved user experience by enabling session viewing and booking features for participants.
  - Designed and implemented Grid Tables for efficient data display, ensuring smooth session management.
  - **Roles and Responsibilities**: Gathered and analyzed user requirements, created specification documents, ensured project alignment, managed secure file transfers via FileZilla, and deployed websites using IIS.

2. **Project 2:** (08/2024 - 01/2025)

- **Title** : GLOBUS IT
- **Client** : GLOBUS IT
- **Project URL** : https://globusit.aptits.com
- **DESCRIPTION** :
  - **Overview:** Maintained and enhanced the Globus IT website, which focuses on purchasing camera-related components from vendors, assembling them, and selling them to distributors and clients. Ensured smooth operations across finance and sales modules while optimizing system performance.
  - **Finance Module**: Managed end-to-end vendor processes, including purchase tracking, invoice generation, and payment processing. Developed detailed financial reports with yearly analysis and implemented a reporting manager hierarchy to streamline approvals and accountability.
  - **Sales Module**: Maintained sales records, tracked product distribution to clients and distributors, and analyzed revenue through detailed reports. Enhanced the sales workflow by ensuring accurate order processing, inventory updates, and seamless transaction flow.
  - **Technical Contributions:** Optimized database queries for faster report generation, maintained website functionality for real-time financial and sales data tracking, ensured data integrity, and provided debugging support to resolve live system issues efficiently.

ACCOMPLISHMENT

- Awarded 'Best Award' by the company for exceptional performance and dedication to team goals.
- Participated in QUIZ competition conducted by central event in GMRIT.
- Competed in 'I Love Green' competition by Sector Club at GMRIT.

PERSONAL DETAILS:

- **Name** : Bommala Arunkumar
- **Father's Name** : Bommala Apprarao
- **Gender** : Male
- **Date of Birth** : 13th May 2002
- **Address** : 2-52,Nimmalavalasa(V), Chepuripalli(M),Vizianagaram(D)
  PinCode-535125,Andhra Pradesh, India.
